Car Park Service

Our New Normal

We always knew that our car park was important to us, but it has taken on a new role as we meet there in worship (socially distanced of course).

It has been a joy to meet together again in prayer and song (behind our masks). We praise God that the weather has been kind

to us and we thank those who have organised our services, especially our vicar and clergy team; Colin our church warden and Ann his wife for setting up the car park and organising us. We also thank Hannah for administering the services. Thanks Sue and Owen for the music which gives us that sense of continuity.

We are sure that our prayers will be answered and that we will soon return to real normal services.

Funky Church Zoom

If you were wondering what happened to all our children during this pandemic, well wonder no more ! Our vicar has been developing his skills as an on-line ventriloquist with his alter ego, Joey. This zoom meeting for our children has been taking place

every 2 weeks and has been helping the children continue in their Christian walk.

Sandra has been very much involved in this too and we thank both for their dedication to keeping us all together, both old and young during this difficult time.

THANK YOU VICARAGE FAMILY

J-Walkers & Covid-19

Our young people's group J-Walkers (11-21 year olds) have continued to meet, even during lockdown.

Initially we met on Zoom to connect with each other, chat and do many quiz rounds, which the youth prepared each week. There were no prizes other than the honour of calling yourself **J-Walkers Quiz Champion** for that week.

Zoom was a very important tool in those early days in lockdown to stay in touch and check in with each other.

This is the younger group, 11—13 years old at prayer

“It's been wonderful seeing our young people growing in their faith “

Over the summer, once the rules were relaxed, we started to meet in the vicarage garden. Coming together for chat, games and fellowship. We have ensured that social distancing is in place, despite the fact that they long to high five or hug each other. It's been wonderful seeing our young people growing in their faith and standing alongside them in these challenging times. The sessions have been

very popular and we have had up to 20 young people gathering each week. We have now decided to split them into older and younger youth and for each group to meet every other week.

“they long to high five or hug each other”

For the leaders of the group (Sandra and Ruth), it has been wonderful to see what a support the young people are to each other and how important it is for them to meet other like minded young Christians, who are pursuing their faith in Jesus. **Please keep our J-walkers in your prayers during this difficult time.**

Please pray for their protection and their faith to grow stronger and deeper over the next months.

Happy 70th Wedding Anniversary

It is hard to believe that Bet and I moved here to Bathampton six years ago. It was not an easy move for us because our home had been in the Llanishen area since 1963 and in all those years Christ Church had been the centre of our lives.

journey have been reached. We have passed our 90's now, and you will see that we celebrated in August our 70 Wedding Anniversary.

The pace of life here is measured by the leisurely passage of the narrow boats maximum speed 4mph. If we are outside, most boaters wish us the time of day! There aren't many locations where that is a norm of daily life.

It is such a joy to know how our beloved Christ Church grows and flourishes under truly inspired leadership. God bless all those lovely friends whose commitment and faith in years past made this possible now. Wonderful, too, to know the Hall project is well in hand.

So many lovely memories. Way back, Elsie Denning's hats as she played the organ and trained her beloved boy choristers. The first time I climbed into the pulpit to preach as a licensed Reader...Terrifying. And lovely John Percival joining with me to give the wardens' staffs after serving as the very first wardens. What a privilege to have been a part of that Worshipping Family. God Bless! *John and Betty Walrond*

We are all thrilled to hear from you both and we all wish you continued health and happiness. Ed

The move had to be made simply because as our years advanced all three of our children lived in the West country and getting to us simply for a visit or when the inevitable problems of ageing hit us they were put in real difficulties. We knew Bath well and had had a second home here at one time, so it was not a leap into the unknown, but uprooting ourselves was very hard.

“ the pod-cast Sunday service is such a lovely reminder of where our roots still lie.”

Life here in this retirement development on the banks of the Kennet&Avon is tranquil, beautifully maintained grounds give us our daily exercise, and we live in a welcoming parish and lovely neighbours. But we still miss you all.

And so when we hear lovely familiar voices participating in the pod-cast Sunday service it is such a lovely reminder of where our roots still lie.

Of course, we have never quite lost touch. Until “Credo” ceased I wrote for it, and recently I have been glad to give an input into Linda's splendid and very professional monthly news sheet. Alas, most of those contributions have been obituaries as our contemporaries have gone to their rest.

But, here we still are. Significant milestones on life's

Sad to report the death of Dr Margaret Thomas

Older members of the congregation will remember Drs Gethyn and Margaret Thomas. Gethyn died 5 years ago and sadly Margaret has just died on 12th September. Our prayers go to the family, Sarah, Ruth, Simon and Kate, who at least have been able to visit her regularly whilst in the nursing home. *Elizabeth Burston*
